

Workshop : Border - Parallel world

Brooklyn Metal Works

25-26.September. 2014

Student Materials :

Please bring

Your favourite work material for jewellery design.

Your tools for jewellery work.

A roll of bandage

Strings : paper, hemp, silk, wool, plastic cord, vinyl cord, metal wire, etc...

Your favourite material for model making : paper, wood, metal, plastic, etc...

A piece of your own memory (might be a photograph or something else)

You will present the story about this piece.

Everybody has an own story of his life. These memories are reflecting individual images depending on his life.
